During the breeding all conditions of „*Breeding Rules*“ have to be respect.

Both sides with their signatures confirmed that breeding was exclusively with above mentioned female and male.

In case of breeding failure, the female owner has right to another breeding trial inside of one year after the *Agreement* has been signed.

Those cats that don't have breeding evaluation, they have to attach the form of „*Breedin evaluation by club breeding leader*“.

Breeding agreement has to be written in two copies and each side holds one copy.
